The SPCA Wants Your Old Shoes

The SPCA is partnering with Woolfrax to host a shoe fundraiser. Woolfrax shoe drive is a way for shelters to raise money, the community to donate shoes that would otherwise end up in landfills taking years to decompose *and* help 26 developing countries by donating the shoes collected. The fundraiser will start September 10 so stop by the SPCA to drop off all your old shoes or contact the shelter for a list of donation boxes around the community.

Does Your Pet Have What it Takes to Be a Model?

The SPCA is holding a calendar photo contest; 6 lucky dogs and 6 lucky cats will be featured in our SPCA 2016 calendar!

Submission and voting fees apply, visit

www.gogophotocontest.com/prcpsca to enter your furry

friend. Contest starts on **September 7, 2015**.

Shop Scentsy and Support the SPCA

Everyone loves Scentsy and now when you purchase Scentsy products you help the SPCA! Order your favorite Scentsy products from Richelle Desselle, a certified Scentsy consultant, and **10% of sales during the month of September will go to the SPCA**. Many animals that come to the SPCA need special medical care and although the SPCA applies for grants for medical assistance, donations are always needed. Recently we have had a dog that needed a broken leg fixed, a Chihuahua in need of a vet visit and blood work, a cat that must have a leg amputated and another cat that needs eye surgery. **If you would like to donate to the PRC SPCA click [here](#).**

15 Dogs Adopted

8 Cats Adopted

The shelter raised \$140 and received several items from our Wal-Mart gift registry. Thanks to all who came and supported the SPCA!

Congratulations Hannah St. Ammand

Hannah St. Ammand is leaving the shelter to take a position with the Picayune police department as the new Animal Control Officer. We are sad to see her go but are excited for her and her new job opportunity. She has been an asset to the SPCA and we wish her luck!

DISASTER PREPAREDNESS FOR PETS

1. Check ahead of time which hotels along your evacuation route will accept pets. Also know which friends, relatives or boarding facilities can care for your pets.
2. Have secure carriers, collars and leashes for each pet. Train your pets to become familiar with their carriers, the carrier will become a secure and comforting refuge if your pet is required to travel or live in it after a storm.
3. Make sure all pet vaccinations are up to date and current rabies tags are on collars.
4. Photograph each pet and include photos with your immunization and other medical records, store in a waterproof container. Most places will NOT accept pets without proof of vaccinations.
5. **HAVE YOUR PET MICROCHIPPED!** Collars can easily come off.
6. Supplies to have on hand for evacuation include: pet food, water, bowls, can opener, trash bags, cat litter, toys, comfort items and any pet medications.

Remember, if you must evacuate, plan to take your pet with you! **IF IT IS NOT SAFE FOR YOU, IT IS NOT SAFE FOR YOUR PET!**

YTD compared with same time in previous year

We attribute a large part of our reduction in intake and euthanasia to the community's participation in our S/N program
